2002 WORLD MASTERS GAMES – MELBOURNE 5TH – 13TH OCTOBER

Scoretable officials

I would like to acknowledge the 71 Scoretable officials who participated at these games. There were 67 from Victoria metropolitan and country areas, 2 from Queensland, 1 from ACT and 1 from South Australia

Their enthusiasm and willingness to change at short notice was just fantastic. The friendships made will I'm sure be lifelong, and after discussions with these people, their journey into the life of a volunteer is only just beginning.

Expectations

To recruit approximately 80 volunteer accredited Scoretable officials

To have enough Scoretable officials to supply 2 officials per table per game

To run 24 second shot clocks for all Premier Gold Medal games, which meant 3 officials for these games.

Ensure that our volunteers had a great experience.

Achievements

Recruited 71 accredited Scoretable officials

With approximately 700 games scheduled we managed to supply 2 officials per game except for 50 games.

All Premier Gold Medal games were covered with 3 officials.

I'm positive that the officials did have a great experience and will be talking about it for months.

A great effort

Downside

With so many teams entered and games scheduled over 3 venues it made rostering at times a nightmare. Extra 8-10 volunteers would have made it a little easier.

Fixtures were too late in being set down, which hindered anyone who needed to produce rosters for their volunteers.

Finally some comments on accreditation procedures:

Procedures for accreditation left a lot to be desired.

All did not receive certificates of participation.

Uniform distribution seemed to be left to the judgement of whoever was handling it at the time you presented. Some volunteers accreditation was lost by the accreditation centre, it would be at your first shift they explained. Then when it didn't show up they were told they needed to re present themselves for new accreditation. This is no way to treat volunteers.

I would like to also take this opportunity to thank my fellow committee members for their help and friendship leading up to and during the games.

A great experience!!!!!!

WORLD MASTERS

The World Masters held in Melbourne October 5th to 12th was a tremendous success.

The Scoretable Officials coordinator, Carol Flint, did a job worthy of recognition by everyone. She sometimes was up after 1.00am trying to put the rosters together because of the fixtures being set very late.

I believe her report is important so it is printed in the Newsletter.

A BAD NEWS...GOOD NEWS STORY

The very bad news about Carol Flint is that she is not standing for re-election next year.

Carol has been an outstanding secretary for the Scoretable Committee and will be missed by all. The good news however is that Carol has agreed to stay on as an Instructor and Coach for 2003 at least.

EVALUATIONS

Again this year the Scoretable Coaches (evaluators) were impressed with your work. We are very lucky to have so many committed Scoretable Officials, especially so many young people who are working so well.

The only comments made were "housekeeping" types.

- At the end of an interval if both teams and the referee are ready to commence, and on court, reset the clock. Don't wait for the clock to run down. This does not apply to a time-out unless instructed to do so by the referee.
- There is no need to show ten fingers when the time-out has reached 50 seconds. Just the sound the buzzer is sufficient to notify the referees time is up.
- Double Fouls.....Please everyone read Art 45 and then 11.4.
- Sub on the shooter.....Keep your finger on the buzzer in case the referee forgets. A quick buzz will jolt the memory.
- Timekeepers must always time the fouled out player. The coach has 30 second to replace this player. Sound the buzzer to notify the referee that time is up.

CONGRATULATIONS

To the 24 officials who are now Level 3. The school was most enjoyable and the young age of so many of our top officials is something we are all very proud of. The committee knows the Victorian Scoretable Association is in very good hands in the future.

INTERSTATE NEWS.

Carlyn Holmes from WA, who some of you will know because she has worked here in Vic a couple of times, has been voted WA Scoretable Official of the Year. We congratulate her.
